PROPRIETOR.

(ESTABLISHED IN 1884.)

TO MY FRIENDS AND PATRONS:

I wish again to very kindly thank all my old customers as well as the many new ones for the very liberal manner in which they have patronized me in the past year.

And those who have never yet bought of me, I respectfully ask for a trial order, assuring you that I will do all in my power to please. I take pleasure in announcing that our stock of everything is No. 1. and as represented. My aim and object is to please and sell everything cheap for the quality. My stock is graded to the highest standard, is grown on new soil, is healthy and well rooted. The greatest care is taken in packing. Everything is warranted true to name and errors always corrected if promptly notified.

Hoping to receive a share of your patronage and assuring you that I shall endeavor by honest and strict attention to business to merit a continuance of the same from year to year. I am

Yours very truly,

DANIEL W. BABCOCK.

FACILITIES.

We have plenty of room, with the best soil for good strong growth of root and branch. Situated in the fertile valley of the Genesee River on two trunk lines of railroads leading east and west, with vineyards of tested varieties to propagate from, and ten years experience in grading and handling this kind of stock enables me to serve my customers in the best manner.

NO AGENTS. WHY?

Simply for the benefit of my customers and to render my business more reliable. I attend to the filling of all orders myself and if there are any mistakes made I am to blame and responsible, not some agent who has departed and gone no one knows where. Besides you get stock at first price when you order direct from the producer, thereby saving 50 to 75 per cent. the middle mans profit.

SHIPPING SEASON.

From March to May in the spring and from October 15th, to freezing weather or about November 20 in the fall. For the benefit of customers south who desire stock earlier than shipping season opens here we have provided cellars in which to store vines plants and trees, so that we can ship most any time with safety by express.

TERMS AND CONDITIONS.

CASH (by Draft, Money Order or Registered Letter) will secure prompt filling. No goods shipped unless cash or satisfactory security accompanies the order.

To Secure Goods not wanted at once, send one-half the cost with order. No reserve will be made otherwise save to well known and thoroughly reliable parties.

GOODS WILL BE SHIPPED C. O. D. only when one fourth payment is sent with order, or to well known reliable parties.

SMALL FAVORS THANKFULLY RECEIVED, but we cannot undertake to fill orders for less amount than one-half,dollar.

AT PRICES NAMED goods are carefully packed in moss and straw well baled or boxed and delivered free to railroad station or express office here, after which my responsibility ceases.

ALL CLAIMS for allowances on mistakes must be made within ten days after receipt of goods.

GIVE EXPLICIT DIRECTIONS for shipment.

Guarantee. I warrant all stock sent out by me to be true to name and as represented, with this express understanding that in any case when stock fails to come up to specifications. I am liable only to replace stock or refund money received for same. No pains are spared to do a reliable business. Address all orders to
